Chapter Reports

Culture of Life, Richard Fantazia: It is heart breaking to learn that while the Catholic Church officially opposes abortion, around 60% of Catholics (per a recent nation poll) believe that abortions should be legal in most circumstances. I guess that a good number on Catholics believe that being Catholic is like a smorgasbord where you can pick and choose your faith. By comparison, only about 30% of Protestants are in favor of abortion. As a background, Planned Parenthood's founder initially started the organization to minimize the Black Race. It seems that is not the case anymore. It validates today's society of elevating sex to that of a sport, where sex is not love but merely an exercise and scores are kept.

One thing I believe has improved: More fathers are educating their sons to respect girls and not initiate sex. Thru out the years, I heard fathers bragging about their son's exploitations and it was up to the girls' father to protect their daughters. It was the family's badge of honor to know their son's manhood.

Let us continue to pray for the changing of hearts and minds and instill in people that abortion is evil. Let us also pray that the West Coast Walk for Life is a success and some changing in minds take place.

Coats for Kids, Dave Roberts: Every council should get involved with the Coats for Kids program, soliciting from their community, donations of new kids coats or monetary contributions. Supreme offers coats for purchase for girls and boys in assorted sizes, for your council's needs.

Council Star Awards Status, Dave Roberts: The Council Star Awards Status (replaced the Star Tracker report) go to the state link, "California Knights.org". Open to the Council Star Awards Status and search for your council's report and your status of compliance.

State Trainer, Dave Roberts: I am your go to person to help and assist with selected Knights procedures.

Basketball Free Throw Championship, E. Lolly Gomez: January is the month, that your Council schedule it's first competition event. Towards the latter month of January, the District Deputy schedules his districts competition. Once the District competition is completed, the District champions in their age group, now participates in the Regional competition scheduled by the Chapter, February 21, 2026, hosted by Fr. Heslin Council #2557 at Sacred Heart Church Gym, in Turlock, CA.

Wheelchair Program, E. Lolly Gomez: State Chairman recommends that all Councils contribute \$ 300.00 towards the purchase of two wheelchairs. Also, it is recommended, that each council consider and schedule a fundraiser weekend at your Parish for Saturday and Sunday Mass. Two council's in the Chapter have engaged in the fundraiser weekend and have raised an average of \$3,000.00 for the Wheelchair Program. FYI, your Chapter has wheelchairs available for your Council if in need for Knights family or even Veterans. Wheelchairs are available for purchase at \$ 150.00 each.
