

## MAY 19<sup>TH</sup>. 5:00P.M. DEVOTION TO MARY PRAYER SERVICE

Brothers,

At the request of Chaplain Rev. Ramakoti,

As Knights of Columbus Warriors our mission this month is to contact our brother Knights who do not attend our regular meetings. We will do this in three ways. Think of the Trinity, **First** Mark will send an invitation email to all members as he does for the monthly newsletter. **Second**, he will use the U.S. Postal Service to mail an invitation to those who do not use email services and **Third**, we will call each member to personally invite them to the prayer service. You older Knights will remember when we did this before every monthly meeting. I will need twelve (**Apostles**) volunteers, we each are assigned a block of Knights with their phone numbers. We can call them the week before May 19<sup>th</sup>, invite or remind them to the service, if they need a ride, make a note of their address and we will arrange for them to be picked up and returned home. There will be some telephone numbers that are old and need to be updated, please note those old numbers. Attached is the flyer approved to be posted in the church entrance bulletin boards. If the members you are assigned would like to receive the poster/flyer, ask for his email address and we will send it to them. Keep in mind these are our **Brothers in Christ Jesus**, we want them to come on **May 19th**. to pray to Mother Mary, ask for her intercession to Jesus for themselves, a family member or neighbor. Ask them to bring a written note of the intercession they want, we will collect them in the offertory baskets, have them blessed and later burn them so they reach heaven. We hope to see you at our meeting next week, 5/5 our Planning meeting. This prayer service will be open to all ministries and parishioners, so please invite your family, neighbors, friends and enemies. We all are in need of prayers, and the grace of our **Mother Mary** is there for the asking.
