

San Joaquin Chapter6 July 2026

Worthy Officers, SK Knights, and Brothers,

Our featured program for July is "The Rosary"

CP Report:

Hello San Joaquin Chapter,

Hello San Joaquin Chapter, interesting year we have had. Well, for those of you that missed the last Chapter meeting we had a couple of changes in the officer's lineup. And it appears I get to try again for another year. I will try to do a better job with the information I have been able to gather this last year.

First, you are all invited to the Chapter Officer Installation to be held at the Sacred Heart Parish in Turlock, hosted by the Father Heslin 2557 council on August 15th. Mass will be at 5:00 pm followed by the dinner. Details to follow, all officers should plan to be there. Please save the date and RSVP so we can organize a successful event.

Next, I will be sending out an attachment with the new officers (Form 187) and you will see several vacancies for everything from DD, DW's, & committee chairs. If you see anything that is of interest to you, please step up and let us know. We really need a Program Director for the year.

DD's you should have received your information regarding the mandatory DD training in Visalia on July 10th – July 12th, less than a month away. Registration time has nearly expired. If you need more information, please contact me asap. If a DD cannot attend, you must get permission from the State Deputy to send a representative. There will be a few changes this year regarding Fraternal Benefit events and some other items that you all need to be aware of so make sure your District is represented. And I hope all the DD's noticed the District numbers have been changed. You will find the current information on the website.

This year we need to focus on getting all our reports submitted on time; Safe Environment, 185's, 189's, 944's just to name a few. DD's need to contact all their GK's and see who needs help getting these done. I am going to have our webmaster set up quarterly DD meetings (Zoom) so we can better track what is done & what needs our attention.

Next Chapter meeting is scheduled on July 9th, hosted by Riverbank council 13321 address & details will be coming shortly. Up for discussion will be our August meeting schedule, remember "Life Happens, with or without us!" so please plan to attend.

I want to hit the floor running so I am asking all of you to be ready to move forward this new 2026-27 Columbian year. Thank you all in advance.

Respectfully;
Gil Esquer – CP

Chapter Webmasters Report

Worthy Officers and Brothers,

Our Chapter's Website has implemented a major update to our "[KofC Resources](#)" application that has added many additional resources, automated the process of resetting all the selections after an item has been selected making it easier to find the info desired. Have a look at the Rel. Notes found on the app for full details.

Thanks to our Chapter President, SK Gil Esquer and a Faithful Navigator SK Charlie Morris from our Msgr. Conrad Gruber Assembly 3340 who have taken the time to provide their feedback and request for additional items.

Just bring up our "[KofC Resources](#)" application that can be found on our [Chapter website Homepage](#) and on all major pages of each Districts, Assemblies, and Council.

This is where hopefully you will find whatever you're looking for and please know that feedback is not only welcomed but encourage. This is how we get to continue evolving.

Sincerely yours in Christ

SK Lou Gervais
