

San Joaquin Chapter 6 March 2026

Worthy Officers, SK Knights, and Brothers,

Our featured program for March is "Spiritual Reflection"

CP Report:

Hello Fellow KC Brothers,

DD's PLEASE share this information with all your councils.

Here we are ending February 2026, jumping into March this weekend.

Hard to believe I only have three more meetings and my year will be over! May doesn't count, because of the Annual Convention down in Visalia. I hope a few of you are planning to attend. GK need to be ready to present their 365 checks in the Parade of GK's. Or at least send a representative from your council. We will also need volunteers to help Worthy DD Don Marcetti in the hospitality room Friday & Saturday nights.

Our chapter has seen approximately 47% of our quota growth for the year. I know of a couple of councils that have reached their 100% quota mark, "Congratulations!". I am attaching some new membership materials in case you have not received these yet. Print these and use them, they work. Just customize the script to your council. If you want me to visit one of your meetings or events just send me an invitation, include the date, time, address and type of event. If it gets into my calendar, you have a better chance of having me attend. Our Worthy National Territorial Growth Director - West, These are the dates Bob Kish is still open:

March 28-29, April 25-26, May 9-10, June 13-14, June 27-28

Please let me know if anyone wants to setup a date to have Bob come into one of our Chapter parishes and help us grow our councils, our Chapter & our State. You just tell me where & when and I will contact him with the details.

There are always so many things to talk about & so little time to do it. Our meetings run too long. Who would be interested in having an all day retreat where we can sit around and plan an entire year in advance? Talk about the real issues addressing our individual councils & ways to solve some of the issues? I can plan something for the end of April, early May or mid June? I need your input.

I want to keep reminding you that if you are active in your parish, council or chapter then YOU are part of the TEAM trying to make the K of C better. If you need help please reach out to your chapter Brothers. If you are able to help then please DO SO!

Thank you all for stepping up and keeping it going. Be proud of yourself and stand tall with your head high because YOU are helping do GOD'S work! Amen. If you have any questions please reach out.

Chapter Webmaster Report:

We had 3 CUF's scheduled for February 2026 and only 2 were held with the third canceled. We have NO KNOWN CUFs scheduled for the rest of this years? I will continue praying that this is truly not the case and all councils are way too busy to let us know. Do we still have DDs that can HELP HERE?
